## **Advisory Action**

Application No. 08/770,792

Applicant(s)

Koyama et al

Examiner

Julie-Huyen Ngo

Group Art Unit 2871

THE PERIOD FOR RESPONSE: [check only a) or b)]
a) expires months from the mailing date of the final rejection.
b) Expires either three months from the mailing date of the final rejection, or on the mailing date of this Advisory Action, whichever is later. In no event, however, will the statutory period for the response expire later than six months from the date of the final rejection.
Any extension of time must be obtained by filing a petition under 37 CFR 1.136(a), the proposed response and the appropriate fee. The date on which the response, the petition, and the fee have been filed is the date of the response and also the date for the purposes of determining the period of extension and the corresponding amount of the fee. Any extension fee pursuant to 37 CFR 1.17 will be calculated from the date of the originally set shortened statutory period for response or as set forth in b) above.
Appellant's Brief is due two months from the date of the Notice of Appeal filed on (or within any period for response set forth above, whichever is later). See 37 CFR 1.191(d) and 37 CFR 1.192(a).
Applicant's response to the final rejection, filed on <u>Mar 8, 1999</u> has been considered with the following effect, but is NOT deemed to place the application in condition for allowance:
X The proposed amendment(s):
will be entered upon filing of a Notice of Appeal and an Appeal Brief.
X they raise new issues that would require further consideration and/or search. (See note below).
they raise the issue of new matter. (See note below).
X they are not deemed to place the application in better form for appeal by materially reducing or simplifying the issues for appeal.
they present additional claims without cancelling a corresponding number of finally rejected claims.
NOTE: the new issues amended in claims 1, 9 and 17-20: "a bus line provided on said TFT substrate and
connected with the corresponding pixel TFTs"; "a part of said bus line provided at said side edge of said  TFT substrate"; "and a cut side edge of said bus line" and " a bus line provided on said TFT substrate and
